Hi Maureen,

It's my understanding that Nancy Grantham is heading down there this weekend. I believe to replace Melissa as PIO but not sure. Thanks, Libby

Libby – EPA's Conflict Prevention and Resolution office in HQ has funding available and a contract that can provide facilitation support to you and others here in the Region regarding the Animas Superfund site.

Please don't hesitate to contact me if I can be of any assistance in this regard. We can move pretty quickly if you need us to.
